

Amendment Under 37 C.F.R. § 1.312
US Appln No. 09/740,989

Docket No. Q62213
P01-126039M/YAH

REMARKS

The amendments made herein to claims 1, 6 and 11 are editorial in nature and no question of new matter or questions of further search arise. The Examiner's Amendment of February 4, 2005 added "the arc-shaped side." However, Applicant believes that the amendment should have been "an arc-shaped side" as the amended constitutes the first use of this claim language in the respective claims.

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,
